confirm the following role in the project implementation:

We will take active part as an Associated Organization in the project during the entire project time of two (2) years (2012-2013). We will provide the project with 8 youths (age 12-14 at project start, 4 boys and 4 girls) and 2 leaders to participate in joint sport events, workshops, seminars and leadership educations. We will make an effort to see to that the youths and leaders involved in the project as far as possible will be the same people throughout all three years of the project. We will provide the sport event held in Klaipėda with equipment such as footballs and access to Klaipėda sports centre during event time. Finally, we will during project time and after projects end take active part in the network between participating AOs that is created during project time.

Finally, we declare that we will provide Lead Beneficiary with necessary information, expertise and other forms of support necessary for successful project implementation.
